- **Graduation (BTech CSE)**

Manav Rachna University

2026 | 7.5 CGPA

- **Senior Secondary (12th Std)**

Aggarwal Public School

2022 | 70%

- **Senior Secondary (10th Std)**

Geeta Public School

2020 | 87 %

INTERNSHIPS

Full Stack Developer Intern

09/2024 – 12/2024

- Created a responsive frontend using React.js with a **product engineering approach**, integrating multimedia content (videos, quizzes, assignments) to enhance learner engagement.
- Developed RESTful APIs and implemented secure backend services using Node.js & Express.

WORK EXPERIENCE

ShivenEnterprises - FullStack Developer & DevOps Engineer

01/2025 – Currently working

- Designed and developed full-stack web applications using modern frontend and backend technologies, ensuring scalability and clean Production systems.
- Implemented **DevOps practices** including CI/CD pipelines, cloud deployment, and server monitoring to improve application reliability and deployment efficiency.

PROJECT

Developed and deployed multiple full-stack applications using Python, React.js, Node.js, Express.js, and MongoDB, collaborating with cross-functional teams to deliver features efficiently and ensuring system reliability.

- **atola.in:** Digital platform with secure backend, RESTful APIs, and optimized database performance. **Live Site:** atola.in
- **shivenenterprises.com:** Business website with Dockerized setup, Jenkins automation, and SSL- enabled deployment and data Integrity. **Live Site:** shivenenterprises.com
- **Bulk Email Sender APP:** Designed and built an automated bulk email product using Node.js and Python with scalable APIs, Nodemailer, Google Sheets API, rate limiting, personalization, and system-level optimization.
- **shivenfccaards.com:** Independently developed a responsive digital business card platform with customizable NFC and printable visiting cards, enabling professionals and SMEs to efficiently share contact details and portfolios online. Live Site: <https://shivenfccaards.com>

SKILLS

- **DevOps:** AWS EC2, Docker, Jenkins, Github.
- **FullStack Development:** React.js, JavaScript, Node.js, Express.js, Tailwind CSS, Jenkins, Docker, Cloud Infrastructure
- **Quality Engineering:** Manual Testing, Test Case Design, Bug Reporting (Jira), SDLC & STLC
- **AI / ML :** Python, Supervised Learning, XGBoost
- **Data Analyst:** Data Analysis, SQL, Python, Excel, Power BI, Tableau.
- **Cloud Computing:** AWS, Azure
- **Databases:** MongoDB, MySQL

TRAINING & CERTIFICATIONS

LinkedIn Certification

08/2022 - 02/2025

- Python for Data Visualization
